

Cerulli Associates is not sponsored by any company or industry group. Our surveys and research are independent and objective. Our surveys are completely secure and confidential; we will never share data results or personal information with any source.

All participants will receive a complimentary summary of the survey analysis.

The Global Asset Manager Survey tracks data from the top 100 asset managers worldwide. Tracking these metrics on a consistent basis gives our reports a strong analytical foundation on which to predict the movement of the global asset management marketplace. Participants in this survey have a large asset base spanning various parts of the globe.

Topics covered by this survey include:

- Assets under management
- Net Flows by region
- Fees
- Institutional/ Retail breakdown

.....

Target: Worldwide asset managers
Frequency: Semi-Annual

.....

Data and findings from this survey are used in the following Cerulli Products:

The Cerulli Global Update
The Cerulli Edge: Global Edition

Related Cerulli Surveys:

*Manager of Managers
European Bank Distribution*
